PROFESSIONAL SUMMARY

Senior WordPress Developer with 3+ years of professional experience building responsive, high-performance and conversion-focused websites for international clients. Specialized in WordPress, Elementor Pro, WooCommerce, Crocoblock, custom post types, dynamic content and custom website development.

Experienced in transforming Figma/PSD designs into pixel-focused WordPress websites, customizing themes and plugins, improving website performance and SEO, troubleshooting complex issues, and managing website migrations and maintenance. Strong understanding of responsive UI, user experience and real-world client requirements.

EDUCATION

2022 - 2023	Higher Secondary Certificate (HSC)
Dewanganj High School	Completed Higher Secondary education with a strong interest in technology and web development.
Government Islampur College	Bachelor of Arts (B.A.) — Honors { Ruining }
	Currently pursuing an Honors degree while developing professional expertise in WordPress development. Balancing academic studies with hands-on experience in web development, responsive design, website customization, and modern WordPress technologies.
